**Macedonians Driven Into Houses and  
Burned to Death.**

**SOFIA, Bulgaria, Jan. 19.**—News has reached here of a terrible tragedy at the village of Dragosch, near Monastir, a town in Macedonia, several days ago.

While a festival was in progress and the villagers were dancing upon the lawns in the public park, a large band of Greeks suddenly swooped down upon them and after driving them into their houses, set fire to the buildings and burned them to death.

The victims included women and children, and numbered, it is said, between twenty-five and forty-five.
